

The Words of Wisdom of the 6th Hour Family/Team

Semester 1, 2014-2015

6th Hr, Semester 1	
Andrew	Life sucks & then you die unless you're Tupac.
D-Amonte	This life.
Robert	Tupac's not dead.
Nicholas	You can catch flies with honey, but you'll catch more honies being fly.
Breanna	Don't let negative and toxic people rent space your head; raise the rent and kick them out.
Samantha	"Everybody wants happiness, no one wants pain. But you can't have a rainbow without a little rain." --Unkown
Selena	Stay weird.
Isabelle	Be happy.
Green, John	Don't forget to be awesome.
Hayley	Even if you're a piece of trash, doesn't mean you can't do great things. It's called a trash can, not a trash can't. Try to make the people around you's day as perfect as yours should be.
Lauryn	Dream big.
Ashleigh	"And those who were seen dancing were thought to be insane by those who couldn't hear the music." --Nietzsche
Nicole	In life, don't give people 3 years of toothbrushes for Christmas.
Hayley	Be yourself; don't let anybody change who you are.
Nicole	I learned to smile every day, smile through pain, smile through tears because life can be swept away from you so fast, almost as though you never existed, and you're going to wish you had smiled.
Ashlee	Be thankful you have a life because it doesn't last long.
Sydney	If you want to soar in life, you need to F.L.Y. (First Love Yourself).
Evan	Great things come from great people. Don't go chasing waterfalls.
Jeslyn	Don't play the role as an extra in your life; be the main character.
Dylan	Don't be mean to people because that will make them more sad. Also, don't use too much lotion.
Mackenzie	Life goes on.
Scarlett	"In all my 900 years of traveling through time and space, I've never met anyone who doesn't matter." --Dr. Who
Shelby	Boys are bad, don't trust them. Life is tough, you learn to deal with it
Emily	If you want to fly like a butterfly, don't flap like a crow.
Dylan	When you're having a terrible day, think of Brady Hoke's football career.
Danielle	Sometimes people are good; sometimes they are bad; just dont punch them in the face. And: Raisin cookies that look like chocolate chips cookies is why I have trust issues.

Final words from Mr. Stuart

In many ways, family, life is like this photo: there are good times and bad times; there are pigs to ride, and goat rodeos to conquer.

I hope and pray that you'll do great things at life; if you can remember that many aspire to success but few achieve it, I think you will. Also remember that there is no replacement for working hard every day at getting better, smarter, stronger. There are few things as important as treating people with dignity and respect; there are also few things as difficult as this.

I love you guys and wish the best to you. Dominate life; do hard things.

Yours,

Mr. Stuart
